

Junior Golf @ St. Cloud Country Club

Is this the year? Will it be this year that your kids beat you on the golf course for the first time? We in the golf department, hope so. The past few years the Junior Golf Program at Saint Cloud CC has increased in numbers. We have also noticed more families playing golf on Saturday and Sunday afternoons. It is now time to get your kids to sign up for another year in the junior program, continuing to grow and prosper as golfers or get them started for the first time in the game of a lifetime. Enclosed is a schedule of events, daily itinerary, registration form, volunteer schedule and a guideline to placing your child.

Each week, the juniors will be involved in a ½ hour group lesson, then placed in groups to play their respective number of holes. The lessons will change each week and cover all aspects of the game. The lessons include: rules and etiquette, driver and woods, irons, chipping, pitching and putting. After the lesson, play will begin with a shotgun start and a volunteer will be assigned to each group. The junior golf league ends with a club championship and a pizza party for all the junior participants.

Our goal at SCCC, should be to build our Junior Golf Program into the best in Central Minnesota. We need your help in a couple of ways. First, sign your children up for the program and second, volunteer a few mornings to walk with a group. It is very important that we get your help with walking with the 4 & 9-hole groups. These are the only two leagues that need volunteers to walk. These leagues will take approximately 2½ hours of your morning. **We ask for your help in improving your Junior Golf Program.**

HOW TO PLACE YOUR JUNIORS IN THE PROPER GROUP:

- | | |
|----------------------|---|
| 4-Hole Group | Juniors just starting the game with some knowledge of the golf course. They will play the holes from the 150 or 200-yard marker and will play 4 holes on the specified side of the course. |
| 9-Hole Group | Juniors with a strong grasp of the game of golf, but don't want to quite make the leap to 18 holes. They need a little endurance and a little more experience. All play will be from the gold tees for boys and red tees for girls. Must be able to play the course in two hours. |
| 18-Hole Group | Juniors wanting to play competitive golf that can play in four hours. They will also get a chance to play with other area High School Juniors. All play will be from the white tees for boys and red tees for girls. <i>Weekly games versus other juniors.</i> |

June 25 _____ July 30 _____ (Championship)

As a volunteer, we ask that you keep them moving, reinforce golf etiquette, but by no means are we asking you to teach them how to swing or chip. We need your help to make golf more fun for them! We need volunteers for the 4-holers and the 9-holers - the more volunteers the better. We thank you in advance for your help!

A fee of \$60 per child includes an opening tee gift, weekly prizes, games and golf snack, club championship (9 & 18 Hole), year-end pizza party, weekly PGA instruction and an introduction to a game of a lifetime
